

Thank
You
So

Dear everyone at Pencaed House,

Thankyou so much for everything you did leading up to our wedding - I tend to be a real worrier, so it was nice to know that we could get in touch quickly + have all our questions answered, without seeming like anything was too much trouble! We had the perfect day, and that was largely down to all your help + organisation, as well as your enthusiasm for what you do! We really felt very looked after. The venue is stunning and all our guests loved it - we will remember you forever!

Thankyou so much again,
Karl + Eliot x
